# 23<sup>rd</sup> Annual Conference ~ 2018

## Bold Leadership: Social Justice

The 2018 conference “Bold Leadership; Social Justice” will focus on social justice challenges and solutions in our field. Issues will be framed at the plenary session followed by discussion of those challenges and solution during topic specific workshops. We wish to broaden the dialogue across all divisions of criminal justice and encourage participants to continue that dialogue in their respective workplaces. Whether participants are students or veterans in their field, we are all affected by perceptions of: clientele, colleagues, or the public. Our goal is one step at a time, improve the criminal justice system through thoughtful, informed, and willing leadership.
